FREIGHT SERVICES PTY LTD

Traditional Values, Modern Thinking

## who we are

Mentor Freight Services, based in South Africa, established in 1994 as a licensed International Freight Forwarding and Clearing Agent, focusing exclusively on our expertise in the movement of air freight & ocean freight worldwide.

We are traditional in our dealings, however we are driven by innovation and through that we are Internationally recognized, with agents throughout the world,

## what we do

We are a traditional clearing and forwarding agent, with the vision of cradle to grave operation, no matter the mode of transport, we do it.

If you need excellent service, with affordable pricing, we are the company for you.

## our service offering

Freight Forwarding both to and from South Africa / worldwide. Licensed Customs Clearing Agents for both import and export procedures and fully accredited by SA customs and excise.

Advice on air and ocean freight logistics, routings and rates utilising multiple cargo airlines, ocean lines and groupage LCL operators, and rail and road operators.

- Arms & Ammunition
- Valuable cargo handling
- Abnormal cargo handling
- Live Animals
- Human Remains
- Dangerous goods handling
- Specialised packing - General crating and packing
- Project cargo
- Local collection & delivery of cargo
- Marine insurance

## how can we help you

Because we offer more than just a tradition freight forwarder, we are able to offer every aspect of the logistics chain.

With sea freight, from the time it is packed to the time it is delivered. The same with AIR FREIGHT, Project Cargo. Our service goes way beyond an agent as we operate on a transparent basis, right service provider with the right price and service.

Our over 20 year relationship affords us the opportunity to buy better, with guaranteed service offerings.

## how we do it

The team at MFS has operated in the industry for over 30 years. Every member of our staff is fully committed to service excellence
